TESTIMONIALS

Bhumika Aggarwal

It was my first solo trip. I was bit nervous about it. But the trip captions were amazing. They did not let me feel that I am travelling solo. Kuddos to Akhil and Shubham who were there for us throughout and luckily I got the nice group too. I will surely plan another trip with them. Thanks for everything.

Dishant Arora

So what can I say about the trip, So I'll start from Nishant Khanna and his team did a very Excellent job and he took care and even supported each and every one wherever we needed it I must say if you're planning a trip please think about Nishant Khanna's team.

Amazing experience! Most memorable trip. Our captains Sagar and Shikhar were really fun too, and they did everything to make all of us feel comfortable. Highly recommend booking a trip through byko journeys!

Savi

It was mine and my frn's first trip with this agency... Went to kasol trip recently and tbh it was one of our best trips.... The camps were nice and spacious and food was also good. The best part was our captain Himanshu. He was very friendly and had many years of experience on those roads. He helped us alot during our difficult route of trekking as well.... Even when some of us were slow, he was there to motivate us and helped us to keep going.... never left anyone behind... will be back for Himanshu and team for sure.... All in one, a very good experience....

Thanks BYKO, for providing us this unforgettable experience. There is some misunderstanding or some unseen circumstances but our trip captain Mr. Utpal handle very smoothly. He is a very good and polite person. Thanks again for all this.

Monika

It was my first solo trip with them. I enjoyed every moment. All the things were so good and well organised. Rooms were good and food was also good. Harshita managed all the things in a very good manner and her behaviour was so good. So down to earth kind of girl she is. They take care of all the things cleanness and hygiene.

Daisy Sharma

This was my first trip with byko and it was incredible! I though travelling by bus might not be fun but the experience was surprisingly enjoyable and comfortable. Byko's meticulous planning made the trip both fun and relaxing. The diverse group of travelers made the journey even more memorable. A perfect 5 out of 5 for Byko!
