TESTIMONIALS

Malvika Mayaramka

Trip to Jibhi ❤️ Traveling to an entirely new place can be scary, especially when traveling with a complete group of strangers. However, Byko changed the whole idea of traveling with strangers. These people make you feel so comfortable and at ease, it felt like I already knew them. That's not all. I came back with bag full of memories that I'll cherish forever. I'm sure to travel with these guys again and recommends it to all those who want to take away and experience a lifetime of memories.

Thanks Byko for this awesome trip, jibhi tirthan 10th April 24 batch. Stay was next to a clear stream river, food was delicious, itinerary was perfectly planned. Our trip leader, Ritika is a super woman and fun loving host. She was generous and took care of every detail so that we can have all the fun. I recommend Byko to everyone.

The trip was amazing! The cozy cottage and polite staff made it memorable. We explored all planned spots, most of which were worth it. Deepak, our lively guide, entertained us with his energetic personality and funny stories. Overall, it was a fun trip, making the last day's return bittersweet for us all.

I went on the trip to jibhi tirthan with a friend of mine, and it was one the most cherished experiences of my life! It was all well planned, except slight delays here and there. The food was home like, transportation was good, the people were friendly. Our trip captain Ashish Bhaiya was amazing, he made sure we were all comfortable and having fun. He literally went back and forth while trekking to make sure nobody was left behind! wonderful and enriching experience.

I and my friend have recently travelled to jibhi with byko journeys. My experience with byko is very good. Travel and accommodation both are fabulous. My coordinator is sourav. He is fantastic travel captain. He took care of all things in whole journey. Amazing man 🙌

A visit to jibhi in himachal pradesh is one of my most memorable trip till date. The hospitality by our team lead Mohit made us feel like a cherished guest. The unexpected delight of the first snowfall turned our visit into a magical space. The accommodation was top notch. Exchanging smiles with the others who came with us in this package, telling stories and unlimited laughter added an extra layer of richness in this journey. It was my first time with Byko travel but surely not the last.
