TESTIMONIALS

Akarsh Singh

It was a great trip to Chopta-Tungnath with Byko. Yash, as the trip captain was very calm and supportive. He listened to our requests and took care of our every need during the trip. His excellent trekking skills and knowledge of the mountains helped us complete our trek on time without any issues. Although there were a few hiccups due to some fringe elements, we enjoyed a lot!

MOHINI CHINCHKAR

Tungnath- chandrashila was my first amazing solo travelling experience with Byko Journeys and it will be life long memory for me. accomodation, food, travel was very well managed during trip. Special thank you to trip captain Ashish for sharing his wonderful experiences and stories of the places. 😊

Priya Ranka

It was my first trek, and what an amazing experience it was! Our trek to Tungnath Temple had a lot of management problems in the beginning, but our Captain, Aniket Jha, successfully managed it smoothly and also introduced me to such overwhelming co-travelers, who later became such good friends. I really hope to plan such trips again. I would highly recommend Aniket Jha as a travel guide.

Suraj Kumar

I had a trip planned to Tungnath Chandrashila with Byko and it was so fun and smooth. From a comfortable traveller to a really skillful driver to foods, camps, every arrangement was really good. Can not ask for more. The trip captain Ashish was really a joyful person who told us so many stories about his own travel journeys, the history of the places and the help he provided to the group. If he wouldn't have been there, few of the guys would not have made to Chandrashila. Overall feedback is I am going to plan again with Byko.

Subhadeep Mahato

It was my first solo trek with Byko. Overall great experience. Never felt like I went solo. We enjoyed the whole journey and even the trek (Chopta Tungnath). Looking forward to more treks with Byko Travel.
